Announcement

THE semi-annual auction sales held at Galesburg have been built on a firm foundation of "Good Will." For a third of a century these sales have been recognized as a supply point for the kind of buyers who **MUST SHOW A PROFIT ON EVERY ANIMAL PURCHASED.** Through the careful selection of cattle from thoroughly reliable herds, always with the thought in mind that the entries must be the kind that will **MAKE MONEY** for their new owners, this sale has earned the rightful reputation of drawing more "repeat buyers" than any sale in the country. Fifty-eight strictly high class Scotch Shorthorns are to be offered in the sale on October 15th.

The list of consignors is your assurance that the offering will be filled with animals of rich ancestry and animals that are capable of making good wherever they go.

Remember,—they are choice individuals that have gained their true form through many generations of strong ancestry.

Remember,—every consignor sells healthy cattle that are tested and ready to be shipped anywhere. And remember,—hundreds of buyers who **MUST OPERATE THEIR HERDS AT A PROFIT** have used the Galesburg Sales almost exclusively as their source of supply for good herd bulls and foundation females.

To those loyal Galesburg clients we say, "You will not be disappointed in this offering."

Terms and Conditions

Sale will start promptly at 12:00 o'clock.

LOCATION—The sale will be held in the C. B. & Q. Stock Yards at Galesburg, Ill., on Friday, October 15, 1937. Galesburg may be reached from any direction on paved roads.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's Disease. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's Disease and health charts to comply with the regulations of any state will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

MAIL BIDS—Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Hal Longley of The Shorthorn World, J. F. Richards of the Drovers Journal, J. E. Halsey of Wallaces' Farmer, or to the auctioneers.

ILLINOIS SHORTHORN BREEDERS' ANNUAL SALE, OCT. 15, 1937

Cumberland Grand has been used in our herd since he was a calf and as we have a good number of his heifers of breeding age, we are offering him for sale. He is guaranteed right in every way. Every female in our herd of breeding age is in calf to his service, but our herd isn't large enough to carry two herd bulls. He is a dark, even colored roan, low down, wide and as deep as you find them,—a typical Cumberland from every angle. He is individually good enough to win high honors in any show with a little fitting. His calves consigned to two Galesburg sales have reached the top figure each time. The buyer of this bull takes no chances on an untried bull as his performance as a sire has been fully proven. He will be sold in the best of breeding condition. He has been allowed to run with the cows each night and has been kept up in the daytime. The best years of his life are still ahead of him.

Oakdale Stanmore and Oakdale Augusta 14th. Two famous champions produced in the herd of Jos. Miller Sons. There are several animals in this sale that are direct descendants of both of these champions.

A Timely Hint...

To those who need HERD BULLS

WE are offering more bulls in this sale than we have been willing to accept for former Galesburg auctions, but we have a very good reason for so doing. The Galesburg sales have been managed with the interests of the buyer in mind as well as the interests of the seller. It is our firm belief that farmers and breeders who are going to have to buy bulls within the next twelve months had better take advantage of their opportunities right now. It is well to remember that the crop of bulls offered in this October 15th sale were calved when the open market price for top steers was less than half what it is today. Breeders were not inclined to make steers out of their males at that time and we have available right now a good supply of promising bulls that were calved during the year 1936. The situation has changed completely however, and breeders today, attracted by the high beef market, are making steers out of a much larger proportion of their males. No matter what happens to prices in the open beef cattle market, good young bulls are going to be scarce in 1938 and **scarcity always results in high prices.** The right kind of bulls are available now and a liberal number of them are listed in this sale to take care of the needs of the far sighted buyers who have looked to the Galesburg auctions as their source of supply. We repeat again—if you are going to have to buy a bull any time during the next twelve months, **BUY HIM NOW.** You can make your selection on October 15th from thirty-one strictly choice herd bull prospects that are being offered in the Galesburg sale.

The cattle pictured on these two pages were produced in herds that are sending strong consignments to this sale.

Above—A pair of blue ribbon females produced in the herd of Jos. Miller Sons, Granger, Mo.

Left—A part of the breeding herd on the farm of J. Kardel & Son, Walcott, Iowa.

Oakdale's Sensation 1903252—Was retained for light service and we have used him some before offering him for sale. I consider he has all the earmarks for a herd bull and if highly fitted should be hard to defeat in the strongest company. He has a good head, level lines, smooth shoulders, well sprung ribs, great depth of body and short legs. His dam is possibly the best cow in our herd.
